Approval Requirements

Verified Stream of Income

Applicant must be employed, or have a documentable stream of income. Prove income with a pay check stub, SSI award letter, or other acceptable documents. There is no minimum income qualifier to get up to \$1200 in financing!

Down Payment

A down payment is required at the time the application is signed. The down payment varies depending on the amount of the sale. See Store for details.

Valid Personal Checking or Savings Account

Applicant must have a valid personal checking or savings account in their name that has been open for a minimum of 6 months.

Applicant may be asked to submit the following if needed

1. First page of a bank statement from 6 months ago from the same account. This must have at least last four digits of account number *(only needed if verification of bank account information is required)*.
2. First page of transactions from last 24 hours. This must have at least the last four digits of same account number *(only needed if verification of bank account information is required)*.
3. A bank statement including full account number and customers name if not satisfied by "1" or "2" *(only needed if verification of bank account information is required)*.

Valid Government Issued ID

This can be a Drivers License, ID Card, Passport, Matricula Card, Military ID, or other government ID

Valid Social Security

Document to verify social security number *(only needed if verification of SSN is required)* such as:

Social Security Card
Professionally Prepared Tax Return
Computer Generated W-2 from Employer
Verification Letter from Social Security Office
